**Please read and initial:**

I understand that the Craniosacral therapist does not diagnose illness, disease, or any other physical or mental disorder. In addition, the Craniosacral therapist does not prescribe medical treatment or pharmaceuticals \_\_\_\_\_

I am not currently experiencing any of these conditions: recent injuries to the head and neck, ie; recent whiplash, any recent fracture to base of the neck, concussion, hemorrhage, aneurysm \_\_\_\_\_

I am aware that Craniosacral therapy is not a substitute for medical examinations and/or diagnosis and that it is recommended that I see a physician for any physical ailment that I might have. \_\_\_\_\_

Because a Craniosacral therapist must be aware of existing physical conditions, I have stated all my known medical conditions and take it upon myself to keep the Craniosacral therapist updated on my physical health. Further, I release the therapist from responsibility and liability for any adverse reactions resulting from disclosed and undisclosed conditions. \_\_\_\_\_
